WELCOME TO RACE TO THE STONES

CONGRATULATIONS – THE HARD PART IS ALMOST OVER

Just signing up is a statement of intent – and an achievement in its own right.

You've chosen to take on something extraordinary, something that pushes boundaries and defies comfort zones. After months of training through dark and cold winter days and nights, enjoy your final few weeks of preparation.

In just a few weeks, you'll find yourself on the start line, ready to take on the trails. There will be highs and lows, tough moments and unforgettable ones – but trust us, you're more prepared than you think.

This year, we continued to build on our Ultra 50:50 initiative, as we seek to empower and welcome more women to take on our ultramarathons. In 2024, we documented a team of (extra)ordinary women who took part in last year's Race to the King: our Ultra 50:50 Challengers. You can see their journey [here](#). Each of their journeys is unique - from a seasoned runner returning after childbirth, to the inspiring story of someone conquering the trails after beating cancer – twice. What links them all, and links them to you, is a shared resilience and the decision to say yes to the challenge. That spirit is what makes events like Race to the Stones so powerful.

This guide is here to support you as you make your final preparations. We pour a lot of care into the details because we want you to feel confident and supported every step of the way.

And when the challenge bites, remember that you're part of something bigger. Look around - that fellow runner beside you might just be the reminder you need that you're not in this alone.

Good luck and enjoy the journey.

GETTING THERE

CAR

Participant car parking is available at the Start, Basecamp and Finish. This will be available to purchase prior to the event via your **Let's Do This account**. An event parking permit will be sent to you by email and must be clearly displayed in your vehicle.

There will also be a drop-off and pick-up areas with a maximum wait time of 30 mins. It is free of charge and does not need to be booked.

Shuttle buses will be available between key locations, including to Swindon Train Station from the finish. Exact timings and prices will be available on the Participant Hub closer to the event.

If you drop out during the event it is your responsibility to make your way back to your car.

All cars are left at owners' risk and must be collected before the car park closes.

TRAIN

The nearest train stations are listed below. You can book a taxi from these stations to get to/from the event locations:

- Start: Princes Risborough
- Basecamp: Didcot Parkway / Newbury
- Finish: Swindon

REGISTRATION, ARRIVAL & WAVE TIMES

REGISTRATION

You will receive your Registration Pack **when you arrive** at the event. This will include:

- Race number (with timing chip)
- Luggage label
- Accreditation wristband (to be worn at all times)

For further details please see our FAQ page.

BAG TRANSFER

We will provide luggage transfer from the start to the finish point of your package.

At your finish point, you can collect your bag by showing your wristband.

Everything, including sleeping bags, must fit inside your bag.

Please bring holdalls/rucksacks rather than suitcases.

Overnight participants will access their luggage at Basecamp.

Non-stop participants will not be able to access their luggage at Basecamp, only at the finish.

WEIGHT ALLOWANCE (to be strictly adhered to):

- Day 1 / Day 2 / Non-stop: 5kg.
- 100km over 2-days / overnight: 10kg.
- The bag size is not limited, only the weight.

START WAVES

We operate a staggered start system. Start waves will be allocated based on your estimated completion time.

Participants' wave times will be communicated via email nearer to the event.

Please note, if you are racing and aiming for a podium finish in the 100k Non-Stop race, you should aim to join the 6:30 wave. If you are racing in the 50k Day One and 100k Over Two Days race, you should aim to join the 06:50 wave.

For those racing in the 50k Day Two race, you should aim to start at 6am on Sunday.

We hand out trophies based on gun-time.

SHUTTLE TIMINGS

BEFORE THE EVENT

If you have booked a shuttle to get to the Start on Saturday morning, the below table shows you what time you will need to be on your shuttle at the shuttle departure point so that you get to the start line in time for your wave.

We are providing plenty of shuttles based on the number of participants in each wave for the respective journey, so you do not need to book a specific time. **Please arrive 15 mins prior to the shuttle departure time.**

ROUTE & SAFETY

SAFETY

Emergency numbers will be on the back of your race number. They will call through to our EVENT CONTROL team.

Please inform Event Control if you leave the event at any point.

WALKING THROUGH THE NIGHT

Try and get into groups of at least two if you are continuing through the night. Please always have a head torch on and only stop at pit stops.

IF YOU GET LOST

Stop and use reference points to try to work out where you are.

Walk back to your last known point/arrow.

If you are still lost call EVENT CONTROL.

CASUALTY PROCEDURE

Call 999 direct in a medical emergency.

Apply First Aid and try to make your way to the nearest pit stop (medics onsite).

Ask for help from fellow participants.

If you cannot make it to the pit stop, call EVENT CONTROL.

EVACUATION FROM THE ROUTE

In the case of a medical emergency, we will arrange evacuation from the course.

If you are just having trouble completing the distance, try to get to the next pit stop where we recommend arranging your own transport to the next Basecamp or the Finish.

SIGNAGE

All of the route will be marked with red arrows and the majority of the route is signposted as The Ridgeway National Trail.

Route maps are available on our website, but always follow the event signage in case there are any last-minute changes to the route.

TIMING

Timings will be taken at Start, Pitstop 2, Basecamp, pitstop 6 and Finish and will be published online after the event. Timings are based on chip time.

NAVIGATIONAL DEVICES

Route distances are gathered using an electronic mapping system. This is as accurate as possible, but discrepancies can occur between different GPS running computers and atmospheric conditions. This may lead to minor differences in distance on the route.

MEDICAL SUPPORT

There are medical provisions at the start, pit stops, Basecamp and Finish. There will also be emergency medical care available and a medical clinic at Basecamp.

TOP TIPS FROM THE MEDICAL TEAM

HYDRATION, HYDRATION, HYDRATION!

If you are thirsty then you need to drink. Don't overdo the energy drink or gels, as they can cause nausea/diarrhoea.

ADDRESS AN ISSUE IMMEDIATELY

A little niggle or pain can lead to something more serious. Please seek medical attention as soon as you can.

BLISTERS

Please bring plenty of blister treatment with you as medics are there to treat more serious cases.

Click here for blister advice from foot care specialists, Profeet.

A NOTE ON PAINKILLERS

When it comes to painkillers, we recommend paracetamol. Ibuprofen is an alternative, but there are concerns about its use with other NSAIDs (Diclofenac, Naproxen etc.) during endurance events. If used when dehydrated or with severe muscle damage, there is a potential risk of kidney damage.

NSAIDs can also cause stomach problems. If you have kidney or GI problems, we would strongly avoid using NSAIDs. If you do choose to use them, maintain hydrated and seek help if your urine becomes very dark. If in doubt, ask our medics.

PLEASE NOTE: Routine use of painkillers for muscle aches and pains is discouraged

DOING THE RIGHT THING

AT THRESHOLD WE BELIEVE THAT MORE IS IN YOU

Our Purpose is to help people realise their potential through world class events. We do this by:

- Supporting individuals to go beyond what they feel is possible
- Showing clients how they can fulfil their potential as responsible businesses
- Enabling charities to maximise their fundraising and supporter engagement
- Inspiring our employees to be the best versions of themselves

Fulfilling our Purpose, is only possible in the long term if sustainability is embedded in all that we do. For that reason, we believe passionately that our events should strive to have as positive impact on the natural world as they do on the teams and individuals that participate in them.

We have teamed up with **onboard:earth** and offer participants the chance to offset their travel emissions for just £3.35. You can do this purchasing 'Balance your travel emissions' under 'Additional Purchases' on your **Let's Do This account**.

**THRESHOLD/

**RACE TO
THE STONES**

ULTRA 50:50

Ultra 50:50 endeavours to achieve gender parity and set new industry standards to inspire, empower and enable more women to take part in events at the toughest end of the running distance spectrum.

In order to do this, we've partnered with SheRACES, grassroots running groups, female runners, as well as those not already in the running community, to not only understand the challenges that prevent women from taking part in ultras, but to address these challenges head on.

BREASTFEEDING SUPPORT

If a participant gets in touch to say they will be breastfeeding on our events, we will do everything we can to support them and to make them comfortable. We will make sure the start, basecamp, finish, and each pit stop has a chair and preferred open or private area for them to breastfeed.

TOILETS

There will be female only toilets across all sites on the event and toilets will be stocked with sanitary products.

SAFETY & RACE RULES

On every event we have our route director give a participant brief to each start wave. This includes things like adopting the correct etiquette out on the route, do's and don'ts, safety reminders, and more.

SANITARY PRODUCTS

Expect to see sanitary products at all info desks, pit stops and inside the toilets, throughout the event. If at any point there happens to be an empty box, please inform a member of crew as soon as you can.

NIGHT RUNNING

Running in the dark is a huge barrier for many people when deciding to take on an ultra. This year we are introducing a **Trail Buddy** system at the nighttime pit stops, where you have the option to wait for someone else who would also like to buddy up to continue together.

You can read more about our inclusion commitments [here](#).
